Baxter Academy
Board of Directors Meeting
Agenda
August 15, 2023

Baxter Academy Mission

Inquiry leads learning at Baxter Academy for Technology and Science, a public charter high school free to Maine students. Our project-based STEM curriculum emphasizes real-world problem solving and is paired with a humanities program that connects ideas across disciplines and cultivates strong communication skills. Students design innovative projects through Flex Friday, a unique program requiring initiative, perseverance, and collaboration, as well as reflection on the work and its impact in the community.
