

Dear Baxter Friends and Families,

Hello! My name is Blair Clancy and I have been the coordinator of Baxter's year-round gift card fundraiser for the last four years. It's called Shop with Scrip and it's a retail gift card fundraiser (i.e. Whole Foods, Chipotle, Amazon, Best Buy, Target, Walmart, CVS, RiteAid, Shaws, Mobil and on and on...) where we earn money for Baxter while we do our everyday shopping or gift giving.

Here is Shop with Scrip in a nutshell:

Customers (that's us!) order gift cards at face value. Baxter purchases the gift cards at 3-15% less than face value (depending on the retailer). The difference between face value and what Baxter pays is Baxter's earnings.

Here's how it works...

- To create a new account go to www.ShopWithScrip.com/login/enroll. Enter our enrollment code (email me at events@baxter-academy.org for the Baxter enrollment code). By entering this code, your account will be associated with Baxter Academy so you can begin earning \$ for Baxter! Fill in all required personal information and click 'I Accept.' Choose two security challenge questions from the list and provide answers.
- Click on "Shop" to start shopping for gift cards from hundreds of retailers. You will need to choose either physical gift cards which are mailed to the school and distributed to the families after the order due date or you can choose to order eCards which are emailed directly to you (or whomever you choose) soon after payment is made.

- **Check out:** when you are done shopping, click on "Cart". To submit your order you must choose a payment method - **choose either pay by check or PrestoPay** (Only those who have established a PrestoPay account are able to choose that method of payment). If you choose "check" then your order will be submitted to me and I will process it as soon as I have payment from you.
- Click on "Submit Order"
- **Payment options:** pay with a **credit card** through Baxter's online payment portal Flipcause, pay by **check** or pay with **cash**.
- If you choose to pay by credit card, go to baxter-academy.org, choose "Parents and Students", then choose "Make Payments Online" and then choose the "Scrip Order Payment Option". Checks should be made out to Baxter Academy, marked as a Scrip order payment and sent in to the school office. Cash should be sent to the office in an envelope marked with your name and that it's for a Scrip order.
- Just a note: Setting up a PrestoPay account through Shop with Scrip only takes a few days and is well worth it! With PrestoPay you can order eCards and have them available to you immediately while you are out shopping or at a restaurant. I use it frequently so feel free to contact me if you want to know more!
- That's it! Just send your payment to school and I'll do the rest. I'll email you when your order is ready for pick up.

How do you get your order?

On the order due date I will add all of our orders together to create one bulk order for Baxter. When delivered, the order will be sorted by me and be ready for pick up approximately 5-7 days after the order due date. If you order eCards instead of physical cards, they will be emailed to you by the order due date (or earlier if needed - once they are paid for they can be made available. In fact, eCards can be

purchased anytime. Feel free to email me if you would like more info about that!).

Please be sure to get your order and payment in on time so that you will have your gift cards when you need them!

As a parent of a Baxter graduate, I'm aware of many of the challenges that Baxter faces in providing the needed funding for such an amazing school. I'm also keenly aware of how special Baxter is and the opportunity it affords its graduates. Won't you please join me in supporting this easy fundraiser? Please go to **ShopwithScrip.com** and start Scripping!

Questions? Reach me at events@baxter-academy.org and I'll be happy to help!

Thanks for your support!

Blair Clancy
